Bagerst i kataloget er der en udførlig beskrivelse af jurymedlemmerne.

Nordiskt Fotomästerskap 2024

Nordiska Förbundet för Fotografi - NFFF bildades 2015, och är ett samarbete mellan landsförbunden i de fyra Nordiska länderna Sverige, Norge Finland och Danmark.
2017 genomfördes för första gången Nordiskt Fotomästerskap.

Antalet deltagare ligger på en konstant mycket hög nivå, cirka 500 fotografer.
Detta kan till stor del bero på att tävlingen från och med 2020 är en tävling även för klubbarna.

Det är med stor stolthet vi i år kan presentera en PDF- katalog av hög kvalitet med samtliga vinnande bilder, och ett urval av de antagna bilderna.
Samtliga antagna fotografer är representerade.

Vi har de senaste året kompletterat Nordiskt Fotomästerskap med Nordiskt Fotomästerskap Kollektion och Nordiskt Fotomästerskap Bildspel. Information finner ni på www.nordic.photo.

Även de hederstecken, Nordisk Stormästare i Fotografi - NSMiF, som inrättades 2016, och utdelades första gången 2017, har blivit mycket uppskattade av fotografer i Norden.
En förteckning över de fotografer som mottagit hederstecknet återfinns på vår hemsida www.nordic.photo, där även övrig information om hederstecknet finns.

NFFF har även genomfört ett antal internationella fotoutställningar, circuits, med bedömningar i de fyra nordiska länderna, och 2023 genomfördes den åttonde i ordningen,
8th Nordic International Digital Circuit 2023.
2023 genomfördes även en världsunik Small Print Circuit, även denna med bedömning i de fyra nordiska länderna. Information finns på hemsidan www.nordic.photo.

Hoppas ni får stor glädje av denna katalog från Nordiskt Fotomästerskap 2024

Nils-Erik Jerlemar
