The exhibition is open to anyone; however, an entry may be rejected when the sponsoring organization or its agent, in its reasonable discretion, believes the entry does not conform to the exhibition rules and conditions.

Entries are limited to not more than 4 images per section, category, or class. An entrant's four images will be distributed throughout four rounds of judging in that section. Entries must originate as photographs (image-captures of objects via light sensitivity) made by the entrant on photographic emulsion or acquired digitally. By virtue of submitting an entry, the entrant certifies the work as his own (aliases are not permitted). The entrant permits the sponsors to reproduce all or part of the entered material free of charge for publication and/or display in media related to the exhibition. This may include low resolution posting on a website. Note: Entrants who indicate that their images may not be reproduced or used "will not be eligible for awards" or inclusion in audio-visuals of the exhibition "and could be subject to disqualification" by the exhibition sponsors.

The exhibition assumes no liability of any misuse of copyright. Images may be altered, either electronically or otherwise, by the maker. All parts of the image have to be photographed by the author who is holding the copyright of all works submitted. All final work must be on photographic film, or on electronic file, or on photographic or electronic print material, mounting excepted. Entries must originate as photographs made by the entrant. Images can be altered.

4 images per section, total of 8 images. All images must be in JPG file format, the file size must be maximum **1920** pixels horizontal and **1080** pixels vertical and should not exceed **2MB**. Judging equipment: Full HD screens.

**Entry submission signifies acceptance of all rules and conditions of the Circuit.**

## File name:

Each image must have a unique title. Once an image has been accepted in a PSA Recognized exhibition, that same image, or a like "in camera" or a "reproduction" duplicate of that image:

- May not be re-entered in any section of the same Division Star Ratings class in that exhibition regardless of media, format, or title.
- May not be re-titled for entry in any other PSA Recognized exhibition.

Words such as "Untitled" and "No Title" are not acceptable as part or all of an image's title, nor are camera capture filenames.

No title or identification of the maker shall be visible anywhere on the face of an Image.

All information needed will be collected from the online entry system. **Please do not use invalid characters such as: / \ : ? \* " < > | ' #**

## Upload:

The images must be uploaded via Internet on our website [www.nordic.photo](http://www.nordic.photo).

Each entrant owns the copyright of the submitted images. The entrant certifies the work as his/her own. The entrant permits the organizers to reproduce the entered material free of charge for promotional purposes related to the Circuit, like the catalogue, photo CD/DVD and the website, unless specifically stated otherwise by the entrant on the entry form.

### **FIAP Definition of the black and white photography (monochrome).**

A black and white work fitting from the very dark grey (black) to the very clear grey (white) is a monochrome work with the various shades of grey.

A black and white work toned entirely in a single colour will remain a monochrome work able to stand in the black and white category; such a work can be reproduced in black and white in the catalogue of a salon under FIAP Patronage.

On the other hand a black and white work modified by a partial toning or by the addition of one colour becomes a colour work (polychrome) to stand in the colour category; such a work requires colour reproduction in the catalogue of a salon under FIAP Patronage.
