GLOBAL PHOTOGRAPHIC UNION - GPU (former UPI)

is a worldwide interactive organization for anyone interested in photography, be they casual, serious amateurs or professional photographers.

Founded in Gorle, The Netherlands, September 2007, GPU brings together professional and amateur enthusiasts of all ages and levels of achievement. As a nonprofit organization, its mission is to promote and enhance the art and science of photography in all its phases.

Individual members are offered a wide variety of activities: photo and digital competitions, photo exhibitions in different countries, study groups via mail, web site access, photo books, magazines, Photo festivals, distinctions, titles, and a raft of other activities.
