## 1st NORDIC INTERNATIONAL SMALL PRINT CIRCUIT 2023

The Nordic Society of Photography proudly presents the 1st Nordic International Small Prints Circuit 2023, which is the first one of its kind in the world, with judging in four countries.

The exhibition is a four-country circuit in collaboration with the national organizations in Sweden, Norway, Finland and Denmark. The exhibition has received FIAP Patronage, PSA Recognition, GPU License, and ISF Label.

225 photographers from 35 countries have sent almost 1800 photos for assessment.

**A great success!**

It has been a great challenge to carry out this project, with regard to receiving images, logistics, jury work, and not least the manual compilation of the results!

We would like to thank all of you who entered this exhibition. It has been a pleasure and a privilege to take part of your photos.

Congratulations to those who were successful, and the rest of you we wish better success in our next exhibition.

I would also like to thank all the jury members and everyone who helped with jury assessments, software, catalog etc.

In this PDF-catalogue you can take part of all the accepted and prize winning photos.

**Please enjoy!**
